PROFILE

My name is Akarachai Jaitrong, and I am currently studying at the Faculty of Science and Digital Innovation, Department of Computer Science, Thaksin University. I have a keen interest in practicing working skills in quality assurance for mobile development and front-end applications. I am eager to learn and develop new skills and am ready to apply the knowledge I have gained in a real-world work environment. This opportunity will help me adapt and learn quickly. I believe that an internship at your company will be a valuable chance to enhance my skills and knowledge.
